

CONTENTS

The *HEALTHCARE Counselling and Psychotherapy Journal* is the quarterly journal for counsellors and psychotherapists working in healthcare.

It is published by the British Association for Counselling and Psychotherapy (BACP): BACP House, 15 St John's Business Park, Lutterworth LE17 4HB
T 01455 883300
F 01455 550243

The journal is sent free to members of BACP Healthcare in January, April, July and October. Membership of BACP Healthcare costs £30 a year for individuals and £50 a year for organisations. For membership enquiries, please email julie.camfield@bacp.co.uk

Disclaimer
Views expressed in the *HEALTHCARE Counselling and Psychotherapy Journal* are the views of the writer and not necessarily the views of BACP Healthcare, or BACP. Publication in this journal does not imply endorsement of the writer's view. Reasonable care has been taken to avoid error in the publication but no liability will be accepted for any errors that may occur.

Case studies
All case studies in this journal, whether noted individually or not, are permissioned, disguised, adapted or composites, with all names and identifying features changed in order to ensure confidentiality.

Copyright
Apart from fair dealings for the purposes of research or private study, or criticism or review, as permitted under the UK Copyright, Designs and Patents Act 1998, no part of this publication may be reproduced, stored or transmitted in any form by any means without the prior permission in writing of the publisher, or in accordance with the terms of licences issued by the Copyright Clearance Centre (CCC), the Copyright Licensing Agency (CLA) and other organisations authorised by the publisher to administer reprographic reproduction rights. Individual and organisational members of BACP only may make photocopies for teaching purposes, free of charge, provided such copies are not resold.

FEATURES

ADDRESSING DEPRESSION FOR PEOPLE WITH A CHRONIC PHYSICAL HEALTH PROBLEM 08

The psychosocial aspects of living with a long-term illness or disability are often ignored. *Pamela Griffiths* argues that it is through the interpersonal attention of counselling that context and meaning can be addressed

COUNSELLING PEOPLE WITH DEMENTIA 14

Mike Fox suggests two key ways to provide this vulnerable and unique client group with the 'right conditions to thrive' in therapy

BEING KINDER TO MYSELF 18

Compassionate Mind Training (CMT) can increase self-compassion in clients who have experienced a trauma. *Elaine Beaumont* outlines the results of a new study into its effectiveness when combined with CBT

SENIOR ACCREDITATION FOR HEALTHCARE PRACTITIONERS 22

Helen Coles, head of professional standards at BACP, introduces a new initiative designed to value and recognise the experience of practitioners in healthcare

PRACTITIONER'S RESEARCH: THE IMPACT OF THE WAITING LIST 26

A qualitative study conducted by *Elaine Davies* revealed the effect that waiting lists can have on practitioners in primary care

BEST PRACTICE: HEALTHY MINDS FOR DEAF PEOPLE 34

Hazel Flynn outlines a new IAPT service which aims to increase access to psychological therapies for users of British Sign Language
