

CONTENTS

The *HEALTHCARE Counselling and Psychotherapy Journal* is the quarterly journal for counsellors and psychotherapists working in healthcare.

It is published by the British Association for Counselling and Psychotherapy (BACP): BACP House, 15 St John's Business Park, Lutterworth LE17 4HB
T 01455 883300
F 01455 550243

The journal is sent free to members of BACP Healthcare in January, April, July and October. Membership of BACP Healthcare costs £30 a year for individuals and £50 a year for organisations. For membership enquiries, please email julie.cranton@bacp.co.uk

Disclaimer
Views expressed in the *HEALTHCARE Counselling and Psychotherapy Journal* are the views of the writer and not necessarily the views of BACP Healthcare, or BACP. Publication in this journal does not imply endorsement of the writer's view. Reasonable care has been taken to avoid error in the publication but no liability will be accepted for any errors that may occur.

Case studies
All case studies in this journal, whether noted individually or not, are permitted, disguised, adapted or composites, with all names and identifying features changed in order to maintain confidentiality.

Copyright
Apart from fair dealings for the purposes of research or private study, or criticism or review, as permitted under the UK Copyright, Designs and Patents Act 1998, no part of this publication may be reproduced, stored or transmitted in any form by any means without the prior permission in writing of the publisher, or in accordance with the terms of licences issued by the Copyright Clearance Centre (CCC), the Copyright Licensing Agency (CLA) and other organisations authorised by the publisher to administer reprographic reproduction rights. Individual and organisational members of BACP only may make photocopies for teaching purposes, free of charge, provided such copies are not resold.

FEATURES

PIONEERS IN THE NEW COMMISSIONING LANDSCAPE 08

The any qualified provider (AQP) scheme opens up the NHS marketplace to a wider range of psychological therapy providers. In a continuation of our series on commissioning in NHS England, we talk to early innovators *Anne Drummond, Jane Hind and Vicki Palmer*

RECOGNISING PSYCHOSIS 14

Early detection and treatment of this severe mental illness is vital to increase chances of recovery – and primary care practitioners could have a role to play, reports *Lyndsey Holt*

DIAGNOSIS OF A CHRONIC CONDITION: IMPLICATIONS FOR LIFE 18

Mike Kelly, a psychotherapist specialising in working with people diagnosed with kidney failure, presents an overview of some of the psychological issues a diagnosis can bring

NO ENTRY 24

Through a case vignette, *Carol Martin-Sperry* provides an insight into her work as a sex therapist

PERCEPTIONS OF HOSPICE BEREAVEMENT COUNSELLING 26

A study by *Bob Powell* found room for more fully integrating bereavement support into hospice philosophy

VIEWS OF HYPNOTHERAPY 30

Following on from the article about combining hypnotherapy with CBT in the last issue, we feature two different approaches to using hypnotherapy in practice

TACKLING DEPRESSED MOOD THROUGH EXERCISE 34

Evidence shows us that physical activity can benefit mental health, says *Andrew Peden*

MAKING AN IMPACT 36

To reconnect with her values, person-centred therapist *Michelle Oldale* explored what it would take to become an aid worker
