

Research Conference 2022 draft programme

This programme is subject to change and may be amended up to and including the event day. Please use this information as a guide for the research presentations available at the conference.

The programme explained:

This hybrid event will take place in Dundee in person on Thursday 19 May and Friday 20 May, and online on Friday 20 May.

The programme below details the full conference content. Please note, the online booking option will include strands one and two from Friday 20 May 2022.

You can choose any combination of booking you prefer. Decide whether to attend online, in person or a combination of both.

Book to attend:

- [in person on day one, Thursday 19 May 2022](#)
- [in person on day two, Friday 20 May 2022](#)
- [online, Friday 20 May 2022](#)

All booking options for this event include access to a three month on-demand service, providing you with access to the recordings from the livestreamed presentations (Strand one and two on Friday 20 May 2022), plus a range of on-demand only content.

[See the on-demand programme for more details.](#)
