

RESEARCH STUDY VOLUNTEERS NEEDED

Have you worked with refugees and people seeking asylum in the United Kingdom? What is your relationship with boundaries? Although therapeutic boundaries are part of our training as counsellors/ psychotherapists, the way we apply in our practice maybe very different and influenced by different factors.

Would you like to take part in my Master's research project to find out how might we adapt the therapeutic boundaries when working with adult refugees and people seeking asylum in the UK?

ELIGIBILITY

- You are a qualified counsellor/ psychotherapist (min Level 4 Diploma) working with adult refugees and people seeking asylum in the United Kingdom for at least a year
- You are a member of a professional body such as BACP, ACC, UKCP, NCPS, BAAT, or equivalent

PARTICIPATION

- It will involve short questionnaires online takes about 10minutes and an interview (audio/ video recorded) which will take no longer than 90minutes, arranged at your convenient time either in person or online
- It will take place from around February to March 2026

If you are interested to find out more or to take part, I would love to hear from you.

Please email me, **Mirda** to arrange a time to have a quick call to answer any of your questions. I will also send you the information sheet with more detail including around the ethical guidelines and the GDPR. Thank you.
