

BACP Children and Young People Conference 2018

Seeing the Problem and Sharing the Difficulties: Making meaning by working with clay in therapy with children and young people

Facilitator - Dr Lynne Souter-Anderson

www.bctconsultancy.co.uk & www.claytherapy.co.uk

Presenting pictorial vignettes

Volcanic clay in Nepal

Little hands tackling a big problem

Working a problem out in clay

I know what I mean!

Life is not too bad

29/01/2007

I have a few friends

I need to keep myself safe

Playing with sticks and clay for fun

Frightening places

My wings for escaping
